No Matter your Situation

◆ Support is Available ◆

Stepping away from a violent environment or rehabilitating your life after a difficult ordeal can be challenging, but you don't have to go through this alone. Qualified support is available to help you heal and move forward.

This leaflet lists all the helpful services, aids, and safe spaces accessible to victims and survivors of Violence Against Women and Girls across Egypt.

All you need to do is locate the service you need, and you will find a breakdown of all the corresponding providers around you.

The list of services include government facilities, NGOs, civil society organisations, and local initiatives, all ready to help.

If you would like to access a digital version of this leaflet, please visit **Ostik.org** and click on the Directory of Services in Egypt button in the main menu.

About the Campaign

In 2019 EuroMed Feminist Initiative launched a Regional Campaign on Zero Tolerance for Violence Against Women and Girls (VAWG) in the Southern Mediterranean with a consortium of member organizations: Algerian Women Claiming their Rights (FARD), in Algeria; Association for Appropriate Communication Techniques for Development (ACT) in Egypt; Arab Women Organization (AWO) in Jordan; Association Najdeh and Lebanese Women Democratic Gathering (RDFL) in Lebanon; Women's Action Union (UAF) in Morocco; Palestinian Federation of Women's Action Committees (PFWAC) and Palestinian Working Woman Society for Development (PWWSD) in Palestine; and Tunisian Women's Association for Research and Development (AFTURD) in Tunisia.

This campaign is part of a three-year regional project "Combating Violence Against Women in the Southern Mediterranean Region" funded by the European Union. It tackles national priorities while addressing shared regional challenges, such as legal discrimination against women, gender stereotypes, social tolerance for VAWG, impunity for perpetrators, victim-blaming, and inadequacy of protection mechanisms for victims of VAWG. It also provides women with an online platform ostik.org, where they can learn about selfempowerment and seek support providers in their area. This leaflet is a continuation of the campaign's vital efforts to support victims and survivors of VAWG.
